

Chapter 7

Page 232:

In the intent of the Facade, change from “Provide a unified to set ...” to “Provide a unified **interface** to set ...”

Page 243:

The *SimpleComputerStore* class is not presented in the figure. Replace Figure 7.6 with the one below.

Page 256:

The second part of Question #4 should say "List and explain the main features of the **composite** design pattern."
